	<p>B 5980 <b>Lot 44</b></p>	<p>Stranger Danger / Heatseeker</p>	<p>Stranger danger really nailed it again this year. His consistency and soundness make him a must use for us and this smoke steer is truly a great example of that. Sound, cool, and muscled up youngin here. If you want a cool one to run with the big dogs look in here. This one will work.</p>
	<p>B SD</p>	<p>Yellow Jacket /Sliver Bullet</p>	<p>This yellow jacket son has been extremely successful for us with several of his calves topping our past sales. He is extremely athletic in his movement and passes this trait to his offspring. He has always thrown color when bred to black cows. He is very consistent and stamps his calves with a cool square sound look. We have several calves out of him on the ground for you to look at or watch the videos of his calves in this years sale. He had been semen checked and ready to breed. Stranger Danger is a yellow jacket out of a silver bullet cow.</p>
